**ORDER**

On February 3, 2023, the Court ordered parties to submit separate briefs on whether the Court should consolidate the injunction hearing and the trial on the merits under Federal Rule of Civil Procedure 65(a)(2). *See* ECF No. 32. Having considered the briefing and relevant law, the Court determines that consolidation would not be appropriate in this case. *See Univ. of Tex. v. Camenisch*, 451 U.S. 390, 395 (1981) (explaining that “it is generally inappropriate for a federal court at the preliminary-injunction stage to give a final judgment on the merits.”).

**SO ORDERED.**
